- **Be part of a growing company with major and diverse projects**
- **Consultant and Senior Consultant roles available**
- **Carve out your own career and niche in the industry with the full support of the HillPDA team**

### About HillPDA:

HillPDA are independent property consultants providing expert advice to government, private corporations and institutions relating to planning, property economics, advisory and valuations.

Owing to HillPDA's continued growth and success, an opportunity exists for a Consultant or Senior Consultant to join our Urban / Property Economics in Melbourne.

### About the role:

The role will involve:

- All facets of urban and property economics including market research, demand studies, feasibility modelling, economic impact analysis, retail and commercial centre strategies, economic development strategies and development contributions planning
- Understanding and evaluating the implications of demographics, planning controls, government decisions, and market forces on urban development projects
- Contributing to the ongoing growth of the company and its profile in Melbourne
- Report and proposal writing
- Collaboration with multi-disciplinary teams for a wide range of private and public clients
- Metropolitan, regional and interstate project work.

### To be successful in this role you will need:

- 2 to 5+ years industry experience
- Excellent communication skills (both written and verbal) and a high attention to detail
- Professional qualification(s) in Property, Economics, Planning or an associated degree
- A sound knowledge of urban and/or property economics
- A willingness to learn, further your skills and to be involved in a wide range of projects
- The ability to work autonomously to tight deadlines
- A commitment towards continued professional development.

### What we can provide in return:

- Provide you the support to develop your skills and promote yourself as an industry leading advisor
- Encourage you to participate in setting the future direction of the business
- Competitive salary package
- Central CBD/Docklands location
- Ongoing training and professional development opportunities (study allowances, monthly training lunches, industry events).
